

Kia ora everyone

I hope you all had a restful long weekend. Winter has arrived at the start of June! Hopefully the weather will improve by the end of the week for Cross Country. Bring plenty of warm layers anyway. This week is the time to vote for your Board of Trustees representatives. It is healthy to have an election and great that we have so much interest in joining the Board. Please get your vote in to the ballot box in the Office before midday on Friday. Thank you to Ann Callahan who did a lot of work on Policies and led the Personnel Committee and to Cala Paenga who did a great job of Health and Safety. Pauline Cahill has been our staff representative over the last three years and I have appreciated her support and input at the meetings.

Not long now until Deep Cove. This Thursday night meeting is a chance for parents of year 7 & 8 students to come along and ask any questions and get a general run down of what we will be up to on this camp. The children are working on their projects for Gala Day next week. I hope that many of you can come along and support this event as the Seniors are surveying the juniors to see what the sandpit needs. They have some interesting ideas to lure the cash from your pockets. National Young Leaders Day was held in Dunedin on Friday and most of our senior class attended this. It sounds like it was once again very inspirational and the students got involved. A key message was to use your six senses as a leader; the sixth being lead with your heart. Passion is so important for successful leaders. Rugby coaching with Rugby Southland took place here on Friday. We have another session next Friday. The children braved the cold and had a lot of fun on our all-weather courts.

Ka kite ano (see you later)

### Tokanui School Board of Trustees' Election

Sarah Manson

Voting forms have been posted to all eligible voters please return the completed voting form before Friday June 7<sup>th</sup>, 2019. One vote per person. (Must be postmarked 6<sup>th</sup> June if posting) No late voting.

### School Notices

Notices will go on the School App first so download the App on either Google Play or App Store (depending on what phone you have). Paper copies will still be sent out but for immediate notification then the App is the place to go to. These are the two ways we notify caregivers of events.

The App has many features including the School Calendar so you can always see when things are happening; Absentee notification and Alerts. Alerts will be when we send messages out so pick which Alerts you would like to subscribe to eg Classroom; Buses etc. To download, simply go to one of the above places; select Schoolappnz; select Tokanui School and then select your choices of Alerts. If you need help setting it up then pop in and see Marylyn in the Office. The App runs on Data and Wifi

**It's so great to see so many people on the App but as we don't know who has got it, in light of recent emergencies, we are revising our procedures so if you HAVEN'T got the App, could you let the Office know so we know to inform you in an alternative way in the event of an emergency!!**

**Reminder: If you are collecting your children from School, please go through the Office, this includes if you are attending Assembly!**

In the early hours of Tuesday morning, one of our Zone families lost their home in a devastating house fire in Woodlands. Thankfully the entire Stuart Family escaped unharmed. As a School Zone Community we are supporting the family in any way we possibly can.

The youngest son, Jarred (7 years old) is a LEGO fanatic and we thought it would be really awesome to help him start to re-build his collection. We are asking for children to "Bring a brick for Jarred" if possible, it can be any piece or number of pieces of LEGO. Your support would be very much appreciated if you are keen to help us re-build his collection just bring it into the Office and we will coordinate delivery.
