

Kia ora everyone

The crew at Deep Cove have had a great five days. We have had a mixed bag of weather, including pouring rain while we did the Helena Falls Walk. Hanging Valley was a highlight with the challenge of uphill over the tree roots and a quick lunch in the rain, on the Kea Cairn rock, before descending. We have had plenty of time to fish and the children have all had success multiple times with a number of them catching small sharks as well as the well known Spotty's and Jock Stewarts. We got three Tarakihi which are suitable to eat. On the set line a big shark was pulled in, which created some loud squealing and much excitement! The boat cruise was well received by the students with lots of lovely waterfalls and beautiful scenery plus some entertainment from some of the tourists. It will be great to be home tonight but these children have all created life long memories of Deep Cove and they have taken on the challenges with enthusiasm and a 'can do' attitude.

Enjoy the school holidays.

Tokanui Home School is looking at updating the local phone lists. If anyone has any changes, want to add cell phone numbers, people left or come in that need added or taken off the list. Please just let Deann Paisley know either by Messenger or email at [deeandpais@gmail.com](mailto:deeandpais@gmail.com). By the 30 June 2019 please. These phone lists are available at the School Office for \$10.

NZ Police recently launched a new non-emergency number, **105**. We've done this to make it easier to get hold of us in the event of non-urgent situations or 'Things which have Already Happened', which don't require Police assistance immediately.

You can call us on 105 for all non-emergencies, or you can go online at [105.police.govt.nz](http://105.police.govt.nz) to report things like:

- Lost property
- Theft for a public place or car
- Intentional property damage
- Or to get an update or add info to a previous report

In the event of an emergency, always call 111 - Things that are Happening Now.

**This week's joke:** What has a bed you can't sleep in?

*A river bed*

**School sores:** Please keep your child home if you suspect them of having school sores (for at least 48 hours) as these are highly contagious and can lead to more serious illness. Treatment, if not severe, is Chrystaderm cream, keep covered and complete hygienic standards to be observed – washing hands etc.

NB: The local nurse has informed us that refined sugar can feed this infection so a diet high in vegetables and "clean" food is a good idea.

**Nits/Headlice:** Once again these are doing the rounds. Please check your child/ren's hair regularly and treat if needed.

We will ring you to collect your child/ren if we feel that they need to be treated of either of the above inflections.

### Toi Tois Lions Hay and Baleage Competition

We are once again holding our annual Hay & Baleage competition/auktion on  
**Friday 5<sup>th</sup> July 2019 @ Tokanui Tavern Car Park.**

Over the past years we have supported Oncology,  
Neurological, Bluff Coast Guard, Stem Cell

Research, Otago Youth Adventure Trust, Westpac Rescue Helicopter, Cancer Society House, Dunedin; Waikawa Museum, South Catlin's Charitable Trust, Gorge Road School, Tokanui Hall & Waipohatu Track, Toe Toes Community Swimming Pool.

Should we be fortunate enough to enjoy your continuing support, beneficiaries this year will be the Tokanui Bowling Club, Otago/Southland Rescue Helicopter and a defibrillator for Mokotua. It is only with yours and our generous sponsors, that we are able to continue this Community support.

We welcome entries for baleage, wholecrop baleage, round bales of hay and conventional bales (10). You will be contacted by a Lion for donations, but, if for any reason, you do not get a call, please contact any Lions Member or Ernie 0274 437643 and leave a message.

### Waikawa and Districts Museum Annual Report 2019

It is with pleasure I present the 44<sup>th</sup> Annual report of the Waikawa District Museum and Information centre. We have had a busy year, my thanks to all who have helped make it successful and especially all those who have willingly given their time for Museum duty sometimes at short notice.

We purchased some pea straw and some of the school children who were working towards a William Pike Challenge came and spread it all out, they also came and helped clean out the Blacksmith and did a lot of tidying up in the Museum, thank you to all of them for a job well done. Thanks to Bruce Lamb for his help around here when we need articles shifted or pests taken care off. Also thanks to Finch for cutting long grass and cleaning out spoutings and any other jobs you have done around Museum. Thanks also to Craig Burgess for spraying around the museum and church. Thanks to Erik Meikle for mowing our lawns and keeping them tidy. Thanks to the gardening ladies, the gardens look great. Also thanks to Doreen Manson our local mail contractor for delivering our rosters free of charge.

We also had Project Arc here in the middle of the year and they have put 50 articles online. We had a great time working with them.

Thanks to Jim Burns who is available to help at short notice and June who also helps out when needed at short notice.

My thanks to June for all your work as Secretary, thanks also must go to Pani for her work as Treasurer and managing to sort out the money side of the Museum, I hope this year is an easier year for you. Also thanks to Ruth Hayes and Jan Dickey for their work with the family histories and history of the area. Keep up the good work.

Gay Lamb – President 2019

We are currently undergoing updates on the Community Response Plans (previously known as Sector SOPs) for Southland and we would like to get the ball rolling on the Tokanui area. We will start with a coastal plan (including Waikawa, Curio Bay, Fortrose) and then return next year to complete the rest of the area.

We would like to get as many members of the community as possible involved to contribute to these plans, as no one knows the area better than the people who live there. We will be discussing community response planning, emergency preparedness and what we can all expect if there is a Civil Defence emergency.

The more prepared a community is, the more likely it is that the community will be able to look after themselves and others and given the isolation of Curio Bay, Waikawa and Fortrose it is good for us to know that plans are in place for these communities.

**Where:** CurioScape

**When:** Monday August 5<sup>th</sup> at 2.00pm

Please feel free to share, and we welcome as much input as possible.
