

Tena koutou katoa

I would like to thank two companies that supported our Pet Day with their products. Weblin Agriculture, who provided some hats and ANZ who provided a number of prizes and the certificates. We also, appreciate all of the judges who come along on the day, giving up their time to make this day possible.

Thank you so much!

Football tournament on Friday went ahead despite it being a very cold and windy day. Our Students gave it their all and had a lot of fun. Unfortunately our Year 7 & 8 team lost to Halfmoon Bay in the semi-final. Halfmoon Bay went on to win that competition. Those that stayed behind at school had an enjoyable time with Miss Gillard and Miss Cahill, creating board games and artworks.

On Thursday morning, Caitlin Callahan, Flynn Callahan, Zoe Stratford, Kate Wilson and I will be heading off very early with others from our Year 7 & 8's in the Zone to tramp overnight up the Greenstone. We will be carrying our own tents as our group will have 30 in it and we can't be guaranteed a bed in the hut. They have been training and all have an excellent attitude so I am confident that this is going to be a wonderful experience for everyone and another opportunity to get to know peers from across our Zone.

We have found that the Zone Year 7 & 8 programme has been very beneficial for our students to gain confidence and get to know others their age before they head off to high school. Next year we plan to hold another day out at Tokanui for these students in term one, something in town in term two and Halfmoon Bay School is planning an overnight tramp on the island for us in Term three. These are wonderful opportunities and will be able to count towards the William Pike Challenge that is available for our Year 7 & 8 students.

Have a great week.

"Sport has the power to change the world. It has the power to inspire. It has the power to unite people in a way that little else does. . . It speaks to youth in a language they understand. Sport can create hope where once there was only despair. It is more powerful than governments in breaking down racial barriers."
